

# Risk Warning

Risk Warning

## **Very high risk investment**

Trading Forex with leverage is associated with a high level of risk and may not suit you personally. You should carefully assess your investment targets, experience and willingness to accept all risks before you decide to trade on Forex, with the help of quality services and products from MEEFX. MEEFX Markets Inc. provides general advice on doing business, which should not be taken as a recommendation to achieve your investment goals. The contents of the MEEFX website should not be construed as your personal financial advisor. There is always the possibility to lose partially or completely the value of your investment. By investing in Forex trading you understand that if all your investments are lost, it will not affect your personal life. You should also consider all the risks associated with marginal trading. If you have any questions or concerns, MEEFX recommends first consulting an independent financial advisor.

## **Market opinion on MEEFX**

Any opinions, news, research, market analysis, price predictions, or other information on this MEEFX website are general in nature and should not be construed as a financial or investment recommendation. MEEFX LTD is not responsible for any loss or damage arising from trading, including but not limited to loss of profit, which may arise directly or indirectly from the use or prohibition of this information in any way.

## **Internet trading risks**

The risks associated with using the internet as a means of executing Forex deal trading systems include but are not limited to software malfunctions, hardware failures, and communication failures. MEEFX does not control signal strength, signal reception quality, and signal routing of resources on the internet or on your network, as well as the configuration of communication equipment or connection reliability. MEEFX is not responsible for any accidents and refusal of the communication system, as well as distortions and delays in receiving information when trading via the internet. MEEFX uses reservation systems and other means of countering failures to reduce the possibility of disruptions and crashes of the trading system.

## **Accuracy of information on the MEEFX website**

All information on the MEEFX website is subject to change at any time without prior notice. All information on the MEEFX website is presented solely to assist traders in making independent investment decisions. MEEFX makes every effort to provide accurate information on the website, but cannot guarantee the accuracy of the information and is not responsible for any loss or damage that may occur directly or indirectly, arising from the use of the information on this website, the inability to obtain information from this website, delays or distortions in transmission, delays in receiving instructions, or notifications sent through this website.

## **Information dissemination**

This MEEFX website is not intended to be a means of distributing information that can be used by any person or legal entity within the jurisdiction of a country where the distribution or use of information from the MEEFX website would be contrary to applicable laws or regulations. None of the services or investments referred to in this MEEFX website are available to persons residing in any country where the provision of such services or investments would be contrary to local laws or regulations. It is the responsibility of visitors to this MEEFX website to ensure the terms and conditions and comply with all applicable local laws or regulations where they are subject to law.

## **Market risk and interactive trading**

The MEEFX online trading terminal provides many opportunities to trade and manage transaction execution. MEEFX makes every effort to ensure that transactions are executed at the quoted asking price, however in online trading, no matter how convenient and efficient it is still not able to reduce the risks associated with foreign exchange trading (Forex trading). All conditions for obtaining quotes and transactions are discussed in more detail in the terms of the "Client Agreement". You can find

"Client Agreement" on the MEEFX website
